## POLICY DOCUMENT ON ENVIRONMENT AND ENERGY USAGE

### College environmental aims and objectives

- The college is striving to develop its institution on a self – sustainable basis in the areas of power, water and cleanliness.
- The faculty, staff and students have to contribute collectively to develop an eco – friendly sustainable campus and disseminate the concept of eco – friendly culture to the nearby community and wherever possible.
- Awareness creations about environmental issues among students and employees including climate change.
- Measure and reduce environmental emissions/ footprints

The Environment and Energy usage Policy of Nehru Institute of Technology is to manage energy in such a systematic way so as to minimize its impact on the environment. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out substitute natural resources as solutions to the energy crisis

- I. To assess our energy usage and measure its impact on the environment.
- II. To reduce local air pollution emissions using environment-friendly vehicles, including bicycles, public transportation and use of pedestrian-friendly roads.
- III. To install photovoltaic solar panels for the generation of alternate energy.
- IV. To install LED bulbs in the complete campus to save energy.
- V. To develop systematic waste management mechanism.
- VI. To develop rain water harvesting unit.
- VII. To undertake tree plantation drive.
- VIII. To take additional measures to continuously improve our energy consumption.
- IX. To ensure the availability of necessary resources to achieve our objectives.
- X. To offer opportunities for employees and students to engage in initiatives those contribute to environmental protection.

This policy will be communicated to the students and employees via internal communication channels, and will be made available to all the stakeholders on the institutional website. The Environment and Energy Policy, objectives and targets will be reviewed on a regular basis under the guidance of the Principal of the college
