About NGI

Nehru Group of Institutions was established in 1968 in Kuniamuthur, Coimbatore, TamilNadu as a centre of educational excellence to nurture, guide and ignite the spirit of the young minds in Tamil Nadu and Kerala. This was fifty years ago when education opportunities were limited and information centres were not equipped with adequate resources. NGI was founded on this philosophy to serve students, especially from economically backward backgrounds looking out for continuing education pathways with an academic and vocational direction.

Late P. K. Das, our founder-chairman gave up his lucrative job in the Air Force and chose to pursue his dream of building a centre of educational excellence. With a vision to establish Nehru Group of Institutions, he embarked on the mission, encountering first-hand experience of the difficulties and the challenges that sprung up unawares. His demise in 2009, saw the mantle of responsibility fall on the very able shoulders of his sons, Managing Trustee, Adv. Dr. P. Krishna Das and CEO & Secretary, Dr. P. Krishna Kumar, who weathered the fiercest of storms and challenges, to build up the walls and to emerge as contenders in the now changing world of education. They have stood fast in their faith of seeing their father's vision fulfilled and get the institution a University status, without compromising on the ethics and principles,

We have, in the past 50 years, successfully nurtured, groomed and placed approximately 1,00,000 plus students in the best of corporate, here and abroad. Our service is complete. We have branches ranging from architecture to technology across Tamil Nadu and Kerala, our corporate office in Coimbatore, all delivering objective advice and maintaining a professional level of service to students and parents.

NGI has risen above every storm and challenge and has stood tall even while going through the fiery furnace of tests. 2018 marks 50 years of this unstoppable VICTORY.

About Nehru Institute of Technology

Methodological Education is the backbone of every country and is the stepping stone for a state to move into the position of a developed Nation. Nehru Group of Institutions has been contributing in the mission of transforming rural India into developed Nation by running Nehru Institute of Technology at Coimbatore with innovation, creativity, human intelligence and patience. We have well equipped labs, workshops and libraries to help students in conquer highest standards in Academic, Research and Leadership Skills. The campus also has adequate sports Infrastructure to take care of Sports and recreational activities. Sustainable living and care for the environment will be a strong focus in our College. Creating better human beings' is our motto and we can do it by instilling values in our students that are to be embedded in their life. The main focus of the Institution is to empower students with sound Knowledge, Wisdom, Experience and Training both at the Academic level of Engineering and in the highly Competitive Global Industrial market. The Infrastructure Facilities and State of the Art equipment's combined with a galaxy of Competent, Talented and Dedicated Faculty contribute to an enjoyable and an easy learning

experience. Everyone associated with Nehru Group of Institutions will be encouraged to work to the best of their ability to reach their potential, striving for Excellence & Equity.

Our Motto: Knowledge is Strength

Vision of the College

To be leading Institution in Academic excellence, Multidisciplinary Research, Innovation, Entrepreneurship and Industry relation in order to mould true citizens of the country

Mission of the College

- To create innovative and vibrant young leaders in Engineering and Technology field for building India as a knowledge power by improving the teaching-learning process
- To enhance employability, entrepreneurship and to improve the research competence to address Societal needs.
- To generate engineering graduates who use knowledge as a powerful tool to drive societal transformation and inculcate in them ethical and moral values.

Other Professionals Institutions at NGI

- PK Das Institute of Medical Sciences, Kerala
- Nehru School of Architecture, Tamilnadu and Kerala
- Nehru College of Engineering & Research Centre, Kerala
- Jawaharlal College of Engineering & Technology, Kerala
- Nehru Institute of Engineering and Technology, Coimbatore
- Nehru Academy of law

NGI - TBI

NGI-Technology Based Incubator promotes Technology - based enterprises in the area of Industry 4.0 and healthcare supported by National Science and Technology Entrepreneurship Development Board Department of Science and Technology, Government of India, New Delhi. with grant support of Rs. 4.37 Crores in the year 2018-19.

- Centre for Research and Innovation
- Centre for Industrial Relations and Career Assurance
- Center for Staff Affairs

Governance

Academic Year 2023-24

Academic Advisory Committee:

- The Academic advisory committee is established to assist in program improvement. Key to the success of any advisory committee is commitment on the part of the committee members as well as participating educational administrators and faculty members.

The Academic Advisory Committee has the following members as its components:

- Head of the Department as its Chairperson
- Four senior faculty members
- ➤ from the department
- Two industrialists

Role of Advisory Committee

- The role of the advisory committee is to advise, assist, support, and advocate the concerned programme of study. The major role of the advisory committee is to establish/redefine the PEOs and suggest methods to assess the PEOs. Advisory committee also provide specifications for the program and help to ensure the quality of the programme. The advisory committee's role is to offer suggestions for improvements that will help the programme grow and expand.
